**Section 8.** The Bonds shall be executed manually or in facsimile in the name of the City by the Mayor, and its corporate seal shall be impressed or otherwise reproduced thereon and attested by the Clerk. The execution of a Bond on behalf of the City by persons that at the time of the execution are duly authorized to hold the proper offices shall be valid and sufficient for all purposes, although any such person shall have ceased to hold office at the time of delivery of the Bond or shall not have held office on the date of the Bond.

**Section 9.** The Bonds shall be issued only in registered form as to both principal and interest. The City designates the Clerk as Registrar for the Bonds. The Registrar shall keep, or cause to be kept, the Bond Register at the office of the City. The City, in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary. Each payment made as described in this resolution shall be valid and shall satisfy and discharge the liability of the City on the Bonds to the extent of the amount or amounts so paid. Bonds may be transferred only upon the Bond Register. Upon surrender for transfer or exchange of any Bond at the office of the Registrar, with a written instrument of transfer or authorization for exchange in form and with guaranty of signature satisfactory to the Registrar, duly executed by the Registered Owner or its duly authorized attorney, the City shall execute and the Registrar shall deliver an equal aggregate principal amount of Bonds of the same series and maturity of any authorized denominations, subject to such reasonable regulations as the Registrar may prescribe and upon payment sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid in connection with such transfer or exchange. All Bonds surrendered for transfer or exchange shall be canceled by the Registrar. The City covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

**Section 10.** Upon surrender for cancellation to the Registrar of a mutilated Bond, the City shall execute and deliver a new Bond of like series, maturity, and principal amount. Upon filing with the Registrar of evidence satisfactory to the City that a Bond has been destroyed, stolen or lost and of the ownership thereof and upon furnishing the City with indemnification satisfactory to it, the City shall execute and deliver a new Bond of like series, maturity and principal amount. The person requesting the execution and delivery of a new Bond pursuant to this section shall comply with such other reasonable regulations as the City may prescribe and pay such expenses as the City may incur in connection therewith. Any Bonds issued pursuant to this section in substitution for Bonds alleged to be destroyed, stolen, or lost shall constitute original additional contractual obligations on

the part of the City, whether or not the Bonds alleged to be destroyed, stolen, or lost be at any time enforceable by anyone.

**Section 11.** The sale proceeds of the Bonds shall be applied to pay Costs of the Project and shall be deposited in the appropriate funds or accounts of the City for such purposes.

**Section 12.** The City covenants to comply with any and all applicable requirements set forth in the Code in effect from time to time to the extent that such compliance shall be necessary for the exclusion of the interest on the Bonds from gross income for federal income tax purposes. The City covenants that it will make no use of the proceeds of the Bonds which will cause the Bonds to be "arbitrage bonds" subject to federal income taxation by reason of Section 148 of the Code. The City covenants that it will not take or permit any action that would cause the Bonds to be "private activity bonds" as defined in Section 141 of the Code.

**Section 13.** The sale of not to exceed \$4,053,941 aggregate principal amount of the Bonds, as provided in the Loan Agreement and this resolution, is hereby authorized and approved. The preliminary official statement relating to the Bond Bank Bonds in substantially the form filed with this resolution, a final official statement relating to the Bond Bank Bonds in substantially the form of such preliminary official statement, and the distribution of each in connection with the sale of the Bond Bank Bonds are hereby approved. The Mayor, the City Manager, and the Clerk are each hereby individually authorized and directed to provide such information for inclusion in such preliminary official statement and final official statement as such officials may deem necessary or desirable in connection with the sale of the Bond Bank Bonds. The Loan Agreement and the Continuing Disclosure Certificate in substantially the form filed with this resolution are hereby approved. The Mayor and the City Manager are each hereby authorized to execute and deliver the Loan Agreement and the Continuing Disclosure Certificate in such forms, together with such changes not inconsistent herewith as may be approved by the Mayor or the City Manager (such approval to be conclusively evidenced by such official's execution and delivery of such document).

**Section 14.** The Mayor, the City Manager, and the Clerk are each hereby individually authorized and directed execute such documents, agreements, and certificates and to do and perform such things and determine such matters necessary and desirable for the City to carry out its obligations under the Bonds, the Loan Agreement, the Continuing Disclosure Certificate, and this resolution.

**Section 15.** The Council from time to time and at any time may adopt a resolution or resolutions supplemental hereto, which resolution or resolutions thereafter shall become a part of this resolution, for any one or more of the following purposes: (i) to add to the covenants and agreements of the City in this resolution, other covenants and agreements thereafter to be observed, or to surrender any right or power herein reserved to or conferred upon the City; or (ii) to make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this resolution or in regard to matters or questions arising under this resolution as the Council may deem necessary or desirable and not inconsistent with this resolution and which shall not materially adversely affect the interest of the Registered Owners. Any such supplemental resolution may be adopted without the consent of any Registered Owner.

With the consent of the Registered Owners of not less than a majority in aggregate principal amount of the Bonds at the time outstanding, the Council may adopt a resolution or resolutions supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this resolution or of any supplemental resolution; provided, however, that no such supplemental resolution shall: (i) extend the stated maturity date of any of

the Bonds, or reduce the amount or change the payment date of any principal installment, or reduce the rate of interest thereon, or extend the stated dates for payments of such interest, or reduce any prepayment price, without the consent of the Registered Owner of each Bond so affected; or (ii) reduce the aforesaid percentage of Registered Owners required to approve any such supplemental resolution, without the consent of all Registered Owners of the Bonds then outstanding. It shall not be necessary for the consent of the Registered Owners to approve the particular form of any proposed supplemental resolution, but it shall be sufficient if such consent approves the substance thereof.

Upon the adoption of any supplemental resolution under this section, this resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this resolution of the City and all Registered Owners shall thereafter be subject in all respects to such modification and amendment, and all the terms and conditions of the supplemental resolution shall be deemed to be part of the terms and conditions of this resolution for any and all purposes. Bonds executed and delivered after the execution of any supplemental resolution adopted under this section may bear a notation as to any matter provided for in such supplemental resolution, and if such supplemental resolution shall so provide, new Bonds modified so as to conform, in the opinion of the City, to any modification of this resolution contained in any such supplemental resolution may be prepared by the City and delivered without cost to the Registered Owners, upon surrender for cancellation of such Bonds in equal aggregate principal amounts.

**Section 16.** Payment of any Bonds may be provided for by the irrevocable deposit in trust of cash, noncallable Governmental Obligations, or any combination thereof. The cash and the maturing principal and interest income on such Government Obligations, if any, must be sufficient and available without reinvestment to pay when due the principal, whether at maturity or upon fixed prepayment dates, of and interest on such Bonds. The cash and Government Obligations shall be held irrevocably in trust for the Registered Owners of such Bonds solely for the purpose of paying the principal or prepayment price of and interest on such Bonds as the same shall mature or become payable upon prepayment, and, if applicable, upon the giving of notice of prepayment and notification of all Registered Owners of affected Bonds that the deposit required by this section has been made and that such Bonds are deemed to be paid in accordance with this resolution. Bonds the payment of which has been provided for in accordance with this section shall no longer be deemed outstanding hereunder. The obligation of the City in respect of such Bonds shall nevertheless continue but the Registered Owners thereof shall thereafter be entitled to payment only from the cash and Government Obligations deposited in trust to provide for the payment of such Bonds.

**Section 17.** All payments made by the City of, or on account of, the principal of or interest on the Bonds shall be made on the several Bonds ratably and in proportion to the amount due thereon, respectively, for principal or interest as the case may be. No recourse shall be had for the payment of the principal of or the interest on the Bonds or for any claim based thereon or on this resolution against any member of the Council or officer of the City or any person executing the Bonds. The Bonds are not and shall not be in any way a debt or liability of the State of Alaska or of any political subdivision thereof, except the City, and do not and shall not create or constitute an indebtedness or obligation, either legal, moral, or otherwise, of said State or of any political subdivision thereof, except the City.

**Section 18.** If any one or more of the provisions of this resolution shall be declared by any court of competent jurisdiction to be contrary to law, then such provision shall be null and void and shall be deemed separable from the remaining provisions of this resolution and shall in no way affect the validity of the other provisions of this resolution or of the Bonds.

**Section 19.** This resolution shall become effective immediately.
